

House Resolution No. 1910

Whereas, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens; and

Whereas, Stephanie Vickers, a sixth-grade mathematics teacher at Pioneer Ridge Middle School, in Independence, Missouri, has been honored as the 2007 Independence Teacher of the Year; and

Whereas, education was a natural progression for Stephanie Vickers, because she took care of two younger siblings for much of her adolescent and teenage life; and

Whereas, with an undergraduate degree in elementary education, she began teaching mathematics and communication at Pioneer Ridge, and now she only teaches mathematics; and

Whereas, Pioneer Ridge Principal Beth Savidge said Stephanie Vickers embodies everything that is good about education:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to congratulate Stephanie Vickers on the auspicious occasion of her being named the 2007 Independence Teacher of the Year; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Stephanie Vickers.
